Cure Duchenne™ Cares
PHYSICAL THERAPY, EDUCATION AND OUTREACH FOR THE DUCHENNE COMMUNITY

WORKSHOP
For Duchenne Families

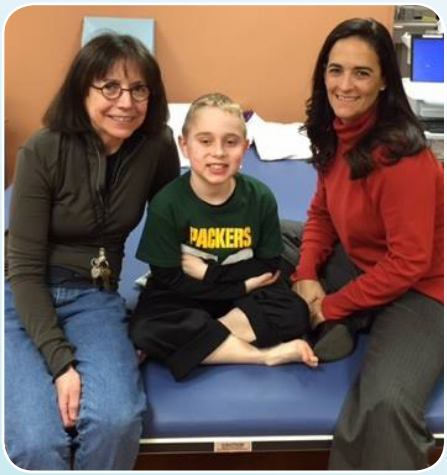
SATURDAY, APRIL 9, 2016 HOUSTON, TX

Please join CureDuchenne Cares for a free, informative class on Duchenne muscular dystrophy.

CureDuchenne Cares is an interactive educational series focused on increasing the health and wellbeing of patients living with Duchenne through educating parents, caregivers and physical therapists on the best standard of care for Duchenne management. The session also provides updates on Duchenne research and clinical trials. Don't forget to let your PT and OT know that there is a course just for them! Find the details here: www.CureDuchenneCares.org.

Learn more about:

- **Stretching instruction and routines**
- **Equipment demos and education**
- **Activity and school modifications**
- **Mobility management**
- **Q&A with Duchenne experts**
- **Updates on research and clinical trials**



Cure Duchenne™

DTN Duchenne Therapy Network

CureDuchenne and the Duchenne Therapy Network have partnered to bring you CureDuchenne Cares. This informative and interactive session is facilitated by physical therapist Jennifer Wallace of the Duchenne Therapy Network and Dr. Michael Kelly, Chief Scientific Advisor for CureDuchenne.
